The Rich get Richer and the Poor get Poorer

Soon, the poor will have nothing left to eat but the rich.

To understand the present you must look back through the fading memory of history – only this will lead you to a clear understanding of the future.

At the very top of the **NOW Bavarian Illuminatist "Pyramid of Power"** is the **Satanic World Monarch**, which hath control of the **Crown Council of 13** (*i.e.*, the world's richest and most powerful families): These are (*as follows – in order of importance*): 1) Rothschild (Bauer); 2) Bruce; 3) Cavendish-Kennedy; 4) di' Medici; 5) Hanover; 6) Hapsburg; 7) Krupp; 8) Plantagenet; 9) Rockefeller; 10) …..; 11) Sinclair; 12) Warburg; and 13) Windsor (Saxe-Coburg-Gotha).

HRH Queen Elizabeth II is mostly associated with the United Kingdom, Canada, and Northern Ireland. She is also Queen over Australia, New Zealand, Jamaica and Barbados; the Bahamas, Grenada, Papua New Guinea, the Solomon Islands, Tuvalu, St. Lucia, St. Vincent and the Grenadines; Antigua and Barbuda, Belize and St. Kitts and Nevis. She holds the title of Queen separately and equally in all sixteen countries. Such was the British Empire in 1921. More importantly, she is the **Sovereign of the Most Noble Order of the Garter**.

She was born on 21 April 1926 in London, the first child of **Albert, Duke of York** and his wife, *formerly* **Lady Elizabeth Bowes-Lyon** (*i.e.*, the Queen Mother). There was no reason at the time to believe *that* she would become Queen… until her uncle **King Edward VIII**, who supported the Nazi cause, abdicated the Crown for love (December 1936): Her father, Albert, a 33rd ° Freemason, *thence* became **King George VI** and she, having no male siblings, became heir to the Throne. Elizabeth married the Duke of Edinburgh after WWII.

Elizabeth married ***a second cousin once removed***, **Prince Philip of Greece and Denmark** [1] (of Germanic descent), was, if not exactly arranged, a marriage deemed suitable for the future queen of England. Moreover, the lineage of the **"Windsors"** (of English-Scottish and Germanic blood) was itself ***a manufactured name*** – to escape ***the family's Nazi background***: (Philip's three surviving sisters had married German princes). Not only was Philip trained in the **Hitler Youth** curriculum, but his brothers-in-law *all* became high-ranking figures in the **NSDAP**, none of which were allowed at their wedding. Philip is a **33rd ° Freemason** initiated into the **Navy Lodge** in 1952. And they are related through **King Christian IX of Denmark**, whose son succeeded him as **King George I of Greece and Denmark** – and his son was **Prince Andrew of Greece and Denmark**.

Christian IX was of the **House of Oldenburg** and from ***the lineage of the Glücksburg Branch*** – a North German dynasty and one of Europe's most influential Royal Houses. He was educated in the Military Academy of Copenhagen – and *he* was the **744th Knight of the Order of the Garter** (in 1865). More-so, through his mother, Christian was a great-grandson of **King Frederick V of Denmark and Norway**, who was also grandfather of **Louise of Hesse** (*v.i.*) [2] *a daughter of the ancient Germanic Landgraves of Hesse* (of Danish ancestry)… and the great-great-grandson of **King George II of Great Britain and Ireland, Duke of Brunswick-Lüneburg (Hanover)**. He was *also* Prince-elector of the Germanies, *viz.* the **Holy Roman Empire** (German: Heiliges Römisches Reich) – which was neither Holy, nor Romanic (as it did not include Rome within its borders), nor an empire *by any stretch of the imagination*.

The **Holy Roman Empire** was a union of territories in Central Europe during the Middle Ages and Early Modern period under a Holy Roman Emperor. On 2 February 962, **Otto I** was crowned was crowned Emperor of what would later evolve into the **Heiliges Römisches Reich**: His mother was great-great-granddaughter of warrior-king **Charles the Great**, *viz.* **Charlemagne** (*v.i.*), who was born of a Frankish noble family – the **Carolingian dynasty**, which replaced the Merovingian dynasty (founded by **Meroveus of the Salian Franks** – the dominant Frankish tribe from the 5th to the 8th centuries, which originated in ancient Cimmeria/Scythia and Ilium *aka* Troy). **The Merovingian bloodline** was the continuation of the **Sacred Bloodline of Jesus the Christ and Miriam Magdalene** who had taken refuge in Gaul (France) and Britain after the ***crucifixion***: Hence, the **Legends of Sansgrael (*i.e.*, the Holy Grail)** and **the Knights of the Round Table**. More-so, from the Middle Ages until the present, most of Europe's monarchs have Merovingian lineage. The symbol of the Merovingians is the ***fleur-de-lis***… and when the **Satanic Roman Catholic Church** collaborated with the Carolingian dynasty, they established the **Society of Jesus (*i.e.*, the Jesuits)** to assassinate **Merovingian King Dagobert II**; the Merovingian bloodline continued in the personage of **Sigisbert IV**.

The ***removal of the Merovingian kings*** culminated with ***the coronation of Charlemagne*** (*v.s.*); the ***Carolingians*** were *also* a major part of ***the Jesus-Magdalene heresy***. The Carolingian empire became the **"unholy" Holy Roman Empire** under Charlemagne, its first emperor – and through dynastic alliances and intermarriages, continues this **Draconian Bloodline**… thus, the **House of Windsor** (*i.e.*, Saxe-Coburg-Gotha) traces its origins back to ***Solomon*** and ***Shepherd-King David***. NB: Jewish law requires that genealogies were to be through the line of male ancestors – not females! but, according to the **Evangelical Apostle Luke the physician**, who wrote his Gospel for the Gentiles (who were not under ***Mosaic Law***), ***Jesus traced his ancestral bloodline* (*as a Jew*) *through his mother,* Ever-Virgin Mary** (*i.e.*, Miriam Magdalene the hairdresser), whom had been raped by the **Roman Centurion Pantera of Germany**, as Joseph was not his natural father. The **Evangelic Apostle Matthew**, *though*, preserved the public record of the legal line of natural descent through Joseph – as, like his wife, he was *also* a royal descendant of David from the **House of Judah** – thereby depicting Jesus as the **"Son of Man"**: By doing so, he shows a connection of Jesus as the **"New Adam"** to **Adam *son of God***. Furthermore, it should be clarified that both disciples make him ***a descendant of David through Nathan***… and not the idolater **Solomon** *son of Bathsheba the Canaanite*, [3] who worshipped **Astarte the Sidonian goddess** and built high places (*i.e.*, ***heathen temples*** with ***graven alters*** dedicated to ***orgiastic rituals*** and ***cannibalistic human sacrifice***) on ***the east of Jerusalem*** [4] whereupon to pay homage to **Milcom/Moloch the abomination of the Ammonites** and **Chemosh the abomination of Moab**: (Milcom or Moloch went by many names including, but not limited to, Ba'al, Apis Bull, Golden Calf and Chemosh – and Ba'al Moloch, oft associated with the head of a bull and the body of a man, required children as his sacrifice). [5] This Solomon *also* did for his ***foreign wives*** so *that* they mightest offer ***incense*** (*i.e.*, the burning flesh amidst the screams of their ***human sacrifices***) to their ***devilish gods***.

Note: **Astarte (Ishtar)** is the Assyrian and Babylonian counterpart to the ***Greek goddess of lust*** – sexuality, fertility and war, **Aphrodite** (Hebrew: Ashtaroth); the island of **Cyprus** was home to ***her most important center of worship***; her symbols were the ***lion***, the ***horse***, the ***sphinx***, the ***dove***, and ***an eight-pointed star within a circle*** indicating ***the planet Venus*** (*cf.*, the pentagram of the goat Mendes). She first appears in **Ancient Egypt** beginning in the **18th dynasty**★, brought hither by a northwest Semitic people**,** *viz.* **the Hyksos** (*i.e.*, the Jews or the Israelites).

Now, Solomon had several hundred foreign princess brides and hundreds of concubines from Moab, Ammon, Edom, Sidon, Hittite women and the daughter of Pharaoh; but, according to Ethiopian tradition, he favoured **Queen Bilqis of Sheba** – and their mulatto son, **Menelik I**, was the first emperor of Ethiopia. **King Rehoboam of Judah** *only son of Solomon by his wife Naamah the Ammonite* [6] walked in the sins of his father according to the abominations of the sodomites… as didst all of Judah.

In the fifth year of Rehoboam's reign **Shishaq (Sheshonq), king of Egypt**, brought a huge army and took many cities. When he laid siege to Jerusalem, Rehoboam surrendered unto him all of the treasures out of the temple as tribute – and ***Judah became a vassal state of Egypt*** – until it was conquered by the **Babylonian Empire** – mother of harlots and the abominations of the earth. More-so, there was ***war between Rehoboam and Jeroboam*** – and their bloodlines continued this war even unto this very day!

Judah was completely eradicated with the deportation of the Jewish population and the ***destruction of the First Temple*** and of Jerusalem, but Solomon's bloodline continued through the ***Moabite Royal lineage***. The ***Moor founders of the holy city of Mecca*** (in Saudi Arabia) were descended of Moab – and their religion is Islam. Muslims contend that Mecca was built by Abraham and his son Ishmael.

[1] **Prince Philip** once told an interviewer that he hopes to be "reincarnated as a deadly virus" to help solve the "population problem."

[2] Hessen is a region of west-central Germany.

[3] The Holy Bible, Qur'an and Jewish Babylonian Talmud all accredit **Solomon** as builder of the **First Temple in Jerusalem** and portray him as great in wisdom, wealth and power… but, *ultimately*, he was ***an idolatrous and sinful king*** who had turned away from God – and, in this, he is comparable to **Nimrod *son of Semiramis the Divine Dove***, a mighty hunter of men. The **Kingdom of Israel** was torn in two during the reign of **King Rehoboam of Judah** – and this is ***the truth of the story of Solomon splitting the baby***. Solomon was not of ***the pure bloodline of Judah*** – and only Judah (and Benjamin) remained loyal to ***the Davidic line*** of all the **Ten Tribes of Israel**. After the northern kingdom was dissolved – as prophesized – by **Jeroboam** *a servant of Solomon*, who quickly established a pattern of idolatry and syncretism (mixing elements of true and false worship) from which Israel wouldst never depart. However, the exiles in Babylon continued to respect the Davidic line, who regarded the Exilarch as kings-in-exile.

Judah, *too*, built high places and erected graven images in groves and upon hills. Thus, both kingdoms abandoned God and sank into immorality and spiritual depravity from which the Jews have never recovered.

[4] Remember: Whence Adam and Eve were cast out of Eden they went east into the Land of Nod… moreover, this was no doubt the high mountain unto which Satan broughtest Jesus to tempt him and is comparable to Golgotha, whereupon our Lord was hanged from a tree – even as Moses hanged a serpent upon a stick.

NB: Satan *aka* Lucifer is called in Hebrew, Heylel Ben Shacha. And, Lucifer (the Light-bearer) is worshipped by the Freemasons.

[5] **Ammon** and **Moab** were the sons born unto Lot's incestuous daughters in a cave whereto they fled in the aftermath of ***the genocidical war of the Four Kings and the Five Cities*** whereof **Sodom** and **Gomorrah** were destroyed. According to the **Book of Jashur**, these evil people suffered no strangers to dwell amongst them… therefore, it is certain that ***Lot's wife was a Sodomite***.

[6] The modern-day city of **Amman** is capital city of the **Hashemite Kingdom of Jordan**, which sits atop "**seven hills**" – referring to the ***clan of the Banu Hashim***, a clan within the larger ***Quraish tribe***, which *also* refers to ***an Arab dynasty – to which the Islamic prophet Mohammed belonged***. **Abdullah II bin al-Hussein**, a 43rd-generation descendant of ***Mohammed***, is the current ruler of the Hashemite Kingdom of Jordan – and a relative of the Queen and Prince Philip. NB: Descendants of Mohammed usually carry the name Husseini or its variations (Hussein, el-Husseini, Ali al-Husayni al Sistani and Ali Hoseyni Khamenei).

What then doth ye think this sayeth of the traitorous American White House porch-monkey **Barack "Barry" Hussein Obama II**, whom bows to the Moabite king!? – or to the Jesuit White Pope Francis, whom kisses the feet of Muslim immigrants!? – or to Prince Charles of Wales… or American President Bush… or Pope Benedict for that matter!? Or any other world leader which kowtows to the Moabite King Abdullah bin Abdul Aziz Al Saud!?

Upon the death of his half-brother, **Abdullah bin Abdul Aziz Al Saud** ascended to the throne and assumed his role as **King of the Moabites** [7] and **Head of the Wahabbist House of Saud**—the royal family of the **Islamic Kingdom of Saudi Arabia**, which is also known as **"The Land of the Two Holy Mosques"** in reference to **Mecca** and **Medina**, the two holiest places of Islam—the largest country of the Arabian Peninsula and the world's leading petroleum exporter. Along with Russia, Saudi Arabia is an ***energy superpower***.

Sheikh Abdullah is protector of Islam's holiest sites. In June 2008, Abdullah held a conference at Mecca to urge Muslim leaders to unite in one voice with Jewish and Christian leaders, *viz.* an apostate one-world religion).

To understand the present one must look into history—those who are able to see furthest into the past, with clarity, are most capable of comprehending what the future holds in store for us. Jews, Christians and Muslims *all* believe **Abram (Abraham)** *son of Terah a descendant of Noah*—as featured in the **Book of Genesis**—is the founding patriarch of the Israelites, Ishmaelites, Midianites and Edomites.

To know **Edom** is to go back in history. **Sarai (Sarah)** *daughter of Terah* was a Hebrew princess and half-sister of Abraham by a different mother. According to Genesis 17:15, Sarai changed her name as part of a covenant with YHWH after her maidservant, **Hagar the Egyptian** bore Abram his firstborn son—**Ishmael**. Although born of Hagar, according to ***Mesopotamian law***, Ishmael was credited as Sarai's son—and legal heir to the ***throne of Abraham***. God, *though*, eventually blest Sarah with a son of her own—**Isaac**—establishing a purer bloodline.

Both Judaism and Christianity maintain *that* **Isaac** (the father of the Jewish people) rather than Ishmael was the ***true heir of Abraham***… but Islam contends it is **Ishmael** (father of the Arab peoples); moreover, Muslims believe that it was Ishmael which Abraham was called upon to be ***sacrificed***… as opposed to Isaac. This can be argued insomuch as Sarah had begged for ***the exile of Hagar and Ishmael*** for the sake of Isaac; her saying: "Get rid of that slave woman and her son, for that slave woman's son will never share in the inheritance of my son Isaac."

Ishmael was very dear to his father, Abraham, and he initially refused to do as Sarah asked. He finally capitulated to his wife's demands after God Iself intervened, telling him that He would take care of Ishmael—since he was *also* of the "seed of Abraham," although he is never referred to as the son of Abraham. In the Biblical narrative, God calls Isaac the "thine only son" of Abraham (Gen. 22:2, 22:12, 22:16-18; cf. Heb. 11:17), though Abraham's sons include six others besides Ishmael and Isaac. Iness further states *that* Abraham's 'birthright' will only pass through Isaac—this being a foretelling of the birth of Christ Jesus (as well as of his Merovingian lineage).

> "Ishmael will be a wild man; his hand will be against every man, and every man's hand against him; and he shall dwell to the East of all his brethren (*viz.* Israel)."
>
> Genesis 16:12

It must be noted that Cain, after he slew Able, was *also* banished from Eden to wander in the Land of Nod in the east. I am of the belief that the **"mark of Cain"** refers to the epicanthic fold most common to Asiatics—which are descended from a mixture of Homo erectus and Denisovans.

Furthermore, God said to Hagar: "Do not fear for I will make him into a great nation." Hagar and her son were banished to the **Wilderness of Paraná**, where Ishmael became an expert in archery—which is quite comparable to what is said of Nimrod, who was a mighty hunter of men in the face of God.

Hagar saw to it that Ishmael was married to an Egyptian woman, who bore him twelve sons which became tribal chiefs—as well as a daughter.

Isaac is remembered by the Jews as the ***second of three patriarchs***. He died at the age of 108 years, which makes him the longest-living of the three patriarchs.

Rebecca *daughter of Bethuel son of Nahor brother of Abraham* was the wife of Isaac—and the mother of **Esau** and **Jacob (Israel)**. Jacob *also* fathered twelve sons which became tribal chiefs… as well as a daughter, **Dinah** *daughter of Leah the Wild Cow*. Now, Rebekah bore Esau first and Jacob was born second, holding onto Esau's heel—as, *later*, were the twin sons of **Judah** *son of Jacob* by his Canaanite wife **Tamar**, **Zærah** being first to stretch his hand from out of his mother's womb… around which ***a scarlet thread*** was wound… but it was his brother **Pharez** whom emerged first: Pharez being a descendant of **Christ Jesus**. So too is this concept applicable to the sons of **Adam**, insomuch as the second-born son, **Cain**, murdered his brother, **Abel**—the firstborn of **Eve**. Again, this theme is replayed in the story of the ***sons of Noah***—the second Adam..

As firstborn son, **Esau** was traditionally entitled to inherit the "wealth and power" of his father upon Isaac's death. **Edom** is a name given to Esau (in the Hebrew Bible), as well as to the nation descending from him. But Jacob and his mother deceived Isaac, whom had grown old and *was* blind, and Esau tricked into selling his birthright to his younger brother for ***"a bowl of red porridge."***

> "I have loved you, saith the Lord. Yet ye say, Wherein hast thou loved us? Was not Esau Jacob's brother? Saith the Lord: yet ye loved Jacob. And I hated Esau (Edom), and laid his mountains and his heritage waste for the ***dragon of the wilderness***. Whereas Edom [ ] shall be called wickedness, and, the people against him whom the Lord hath indignation for ever."
>
> Malachi 1:2-4

Thus, Jacob received the blessings and inheritance from Isaac which was intended to be given to his brother by God's Law. This is still very relevant in our world today in the sense that **Zionist Israel** hath stolen the **Land Between of Promise** and the **Holy City of Jerusalem** from ***the Palestinian peoples***, which are **Arabs**.

Esau married Ishmael's only daughter, who inherited her mother's Egyptian bloodline—and from him and his half-brother **Eliphaz** descend the **Dukes of Edom**. The **Land of Edom** is located between the northern section of the **Gulf of Aqaba** and the southern shore of the **Dead Sea**—whereat was the **Vale of Siddim**, the ancient battleground of the **War of the Five Kings of Sodom and Gomorrah against the Four Kings of the East** (in the time of Ay'yubhum, who is called **Job of Uz**).*

This is also the land of **Jordan** and the northern tip of **Saudi Arabia**. Edomite tribes also settled in the south of the land of **Judah**. Although the Edomites were closely related by blood and in language to the true Israelites of ancient times—those people which identify today as **Sephardic Jews**—they were oft times in a state of war with the neighbouring kingdoms of the **Lost Tribes of Israel**, to the north, and **Judah**, to the south.

Because of Jacob's fraud and the theft of Esau's birthright, during the **Exodus**, the Edomites refused a request by **Moses** for the **mixed multitude** to pass through their territory, because of the **Hebrews** (*viz.* the Hyksos war-mongers). [Numbers 20:14-21]

Esau had taken many wives from the Canaanites; **Canaan** being the accursed second-born son of Noah, **Cham**, which had found his father naked and drunken upon the wine he had made after the waters of the great flood hadst receded. Because of this, it is said that Cham's entire bloodline was cursed… and his skin was made black: It is claimed that Cham was the father of the likes of the ***Nubians*** and ***Ethiopians***—but, it is more correct to say *that* they were more closely related to the Sub-Saharan Black Africans…; it is also said that **Shem** *firstborn son of Noah* was a homeless wanderer in ***the desert wilderness of Shinar***, in the time of Semiramis and Nimrod—and his descendant, **Abram** *brother of Nahor* (*father of Lot*) *and Haran* (*who died in the land of* ***Chaldea*** *in the time of the building of the* ***twin towers of Babylon***).

The Bloodlines of Japheth

Japheth, *though*, as was **Seth** *son of Adam*, was a third-born son—and all us **Gentile** folk who have ***pale skin*** and/or ***blue eyes*** and/or ***red-blond hair*** are descended thereof him… according to historical analysis of the Biblical account. The ***sons of Japheth*** were: Gomer and Magog, Madia and Javan, Tubal and Meshach, and Tiras; the ***sons of Gomer*** were: Ashkenaz, Riphath, and Togarmah; the ***sons of Javan*** were: Elishah, Tarchish, Kittim and Dodanim.

Fourteen nations of Gentiles were born of **Japheth**—all of which have been robbed of our hereditarial claim to the **Holy Land between the Two Rivers** (*viz.* the ***second Eden***) and disinherited of our bloodline born of Judah. These nations are incorrectly said to be: India, Pakistan, China, Singapore, Japan, Kazakhstan, Mongolia, the Philippines, Malaysia, Taiwan, Thailand, Saudi Arabia, the Ottoman Empire, the Moors (Moabites), Jordan (which sits upon seven hills and is ruled today by the ***Hashmite Family***), Turkey, Iran, Morocco, Albania, Georgia (which erroneously claims to be of the tribe of Judah), Armenia, the Greek Byzantine Empire, Greece, Spain, Wales (Welch), Ireland, Germany and Russia. This, *though*, is merely uninformed bias and conjecture, as the Western European nations have no true connection to the Biblical reckoning of the dispersion of mankind after the Deluge—the other realms of the Near and Far East were all well-established long before by the spread of the Denisovan

Christianity began to spread in Armenia soon after Christ's death on the cross, due to efforts made by two of his apostles: St. Thaddeus and St. Bartholomew. The history of **Georgia** can be traced back to the ancient kingdoms of **Colchis** and **Iberia**, and it was one of the first countries to adopt Christianity as an official State religion, early in the 4th century.

ii

The noble bloodlines of the likes of the Italians, French, true Russians, Germans and British have nothing to do with the Biblical account of the peopling of the world. Their roots were born in ***the caves of Pyrenees Mountains*** whence **Neanderthals** mixed their bloodlines with **Cro-Magnons**, and *they* delve deeper into our human history of the time before the melting of the ***polar icecaps***, whence the floodwaters of the **Atlantic Ocean** o'er-spilled the **Straits of Gibraltar** and flooded the **Atlantean Land-Bridge** which connected Northern Africa and Southern Europe and created the **Mediterranean Ocean** as we know it today.

Furthermore, the **Pacific Ocean** rose as well, washing away the **Bering Strait land-bridge** connecting Siberia and Alaska, and covering the **Land of Mu**—a land-bridge which connected the west coast of Africa with the Orient and Australia. Hence, the **Afro-Asiatic Cainite bloodlines** arose from the admixture of the **Denisovans** and **Homo erectus** of those places. Remember, **Cain** was banished from the **Land of Nod**, where Adam and eve were exiled after the **Fall of Man**—and his descendants all bear the ***mark of Cain*** on their faces… which is tantamount to the ***epicanthic fold***.

iv

Now, ***double-headed eagles*** have been present in heraldic imagery for countless centuries, and have been discovered in the archeological remains of the ancient **Hittite civilization** (dating from a period that ranges from the 20th century B.C. to the 13th century B.C.). After the dissolution of the **Holy Roman Empire** in 1805, the double-eagle was retained by the **Austrian Empire**, and served as the ***coat of arms*** of the **German Confederation**, *as well*. It has also been used as ***a 33 Degree Masonic symbol***—as pictured on the front cover of **Albert Pike**'s devilish book: **"*Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry*"** (published in 1872). It is said to be a

[7] Both he ancient kingdoms of the **Moabites** and of **Ammon (Jordan)** are bloodline relations of **King Solomon** through his **Ammonite** wife. Their devilish pseudo-god is **Ba'al**, also called **Chemosh** or *as* **Moloch**—more commonly known as **Satan**. According to the **First Book of Kings** 11:1-3, Solomon indulged many strange women of foreign cultures, all of which brought their heathen gods along with their retinue when they came into his realm, such as: Ammonites, Edomites, Egyptians, Hittites, Moabites, Zidonians, *etc.*

Solomon built temples to the heathen goddess **Isis** *aka* **Ishtar** or **Aphrodite**, which were *also* dedicated to the ***planet* Venus**—associated with **Lucifer**—a ***Promethean fire-bringer***. The symbol of a ***crescent moon*** and ***a star*** is on a large portion of Arab and Islamic-controlled countries…: Lucifer has openly revealed itself and is seen by thaim who've opened their hearts to the truth.

Let those persons whom hath an heart open to the ***plain truth*** have true understanding.

The Bloodlines of Cham

In the Book of **Genesis**, Cham was the third son of Noah and *the* father of ***Cush***, ***Mizraim***, ***Phut***, and ***Canaan***. His story is related in Genesis 9:20-25, *as follows*:

> "And Noah began, and planted a vineyard. And he drank of the wine, and was drunken; and he was uncovered within his tent. And Cham, the father of Canaan, saw the nakedness of his father and told his two brethren without. And Shem and Japheth took a garment, and laid it upon both their shoulders, and went backward, and covered the nakedness of their father; and their faces were backward, and they saw not their father's nakedness. And Noah awoke from his wine, and knew what his youngest son had done unto him. And he said: Cursed be Canaan; a servant of servants shall he be unto his brethren. And he said: Blessed be the Lord, the God of Shem; and let Canaan be their servant. God will enlarge Japheth, and he shall dwell in the tents of Shem; and let Canaan be their servant"

Scholars argue *that* Cham either ***sodomized*** or ***castrated*** Noah—claiming that Scripture lean towards the "sodomization" of the father by the son. I believe this concept to have some relation to Lot being seduced by his daughters, which became pregnant by him and birthed the heathen nations of Ammon and Moab.

According to Scripture, Cham removed himself southwest into parts of the Middle East and Africa… and fathered nations thereat, such as Libya, Nubia, Sudan, Ethiopia, *etc.* The Bible refers to Egypt (Mizraim) as "the land of Cham" in Psalms 78:51; 105:23, 27; 106:22; as well as in 1 Chronicles 4:40.

Although abundant in natural resources, Africa remains the world's poorest and most backwards, underdeveloped continent, where diseases and viruses are rampant—most notably HIV/AIDS, Ebola, malaria, *etc.* Moreover, the corrupt governments of the Black African nations are notorious for committing the most grievous of human rights violations: rape, torture, mass murder, terrorism, and cannibalism… often employing child soldiers to commit the most heinous of crimes against their own families and tribes. Poverty, illiteracy, malnutrition and inadequate sanitation, as well as poor health, which affect a large proportion of the people who live on the African continent—and this is the **Curse of Canaan**.

Canaan is a focal geographic bridge linking Africa and Asia. It sits between Egypt, at one end, and Anatolia (land of the Hittites) and, at the other *end*, Mesopotamia—the area between the two rivers: the Euphrates and the Tigris, and roughly corresponding to modern-day Iraq. Canaan's strategic location has made it the object of numerous battles throughout history.

Cush *eldest son of Cham* had five sons: Seba, Havilah, Sabtah, Raamah and Sabteca—which settled in southern Africa, (Saudi) Arabia, and India. This clearly shows that Cham's bloodline, according to the Holy Bible, mixed with the bloodline of Japheth; more-so, it states that the land of Egypt (Mizraim)—now known as the Arab Republic of Egypt—was of Cham's bloodline, *as well*. Most secular observers estimate Egyptian civilization to be more than 6000 years old—and one of the first ***world superpowers*** in our history.

Genesis 10:8-12 erroneously states *that* **Cush** was *also* the father of **Nimrod**, a mighty hunter of men and tyrannical father of all rebellious people which are against God, the founder of several cities, such as Babylon and Ninevah… and the antichrist. He is accredited to be the first in many things, such as: hunting for sport and pleasure—including the hunting of men, which he enslaved, the eating of meat (*i.e.*, ritual cannibalism), and in making genocidical war—gradually turning men from the fear of God and bringing them into dependence on his despotic power, which is what is currently going on all over the world (*viz.* the U.N. Agenda for world domination). He is *generally* portrayed as the originator of everything in society that goes against God's Natural Will and the common laws of humanity—and the multitude of various peoples all to willingly submitted to following Nimrod, considering it 'cowardice' to submit to God Almighty. His kingdom comprised **Babel (Babylon)**, **Uruk**, **Akkad**, and **Calnah**—in the land of **Shinar**, otherwise known as the realm of Nimrod (Genesis 10:8-12; 1 Chronicles 1:10, Micah 5:6).

The ancient city of **Babylon** was located on the banks of the Euphrates River, which ran through the center of the city (*approximately 55 miles south of modern-day Baghdad, Iran.* Babylon is the Greek variant of Akkadian **Babilu** (bāb-ilû, meaning "Gateway of the Gods"). It was the "holy city" of Babylonia by approximately 2300 B.C.—and, from 612 B.C., it was the seat of the **Neo-Babylonian Empire**.

According to Hebraic traditions, Nimrod was the son of Mizraim—his mother—*though* it is more widely believed that his mother was **Semiramis** *daughter of Derkoto and the sun god*… and, after the death of his father, Nimrod married his own mother and set the stage for the iconic ***betrothal of* '*heaven' and* 'earth'** and *of* **"*immaculate conception*,"** which can be seen throughout history, beginning with **Isis** and **Horus**, and continuing unto this present time in the form of the **Virgin Birth**—with **Ever-Virgin Miriam** being equated with ***the crescent moon*** and *the* ***Venusian star*** and, more-so, with ***the flag of the European Union***, which, as do iconic images of the **Virgin Mary**, contains twelve stars.

Like **Osiris**, Nimrod died and his corpse was cut up into pieces and his body parts were sent to various parts of his kingdom. Like Isis, Semiramis gathered together all the different parts, with the exception of his reproductive organ (*viz.* his penis), which was needed to restore life to Nimrod's body. Semiramis told the people *that* Nimrod had ascended to the sun and was now called **"Baal"**—the sun god. As Queen of the Heavens and Earth, she *also* claimed that Baal would be present *here* on earth in the form of ***a flame***, whether candle or lamp, when used in worship. Thus, in accordance to the unholy desires of Satan, she created the **Babylonian Mystery Religion** and set herself up as a goddess.

> "And upon her forehead was a name written, Mystery, Babylon the Great, the Mother of harlots and abominations of the earth."
>
> Revelations 17:5

Semiramis, upon claiming divinity, began teaching *that* ***the moon*** was a goddess and went through her monthly changes according to a 28 day cycle… ***ovulating*** when the moon was full. Furthermore, she claimed *that* she had been born of a ***giant moon egg*** that had fallen into the Euphrates River, which hadst occurred at the time of the first full moon after the ***spring equinox***.

She took on the name and attributes of **Ishtar** *aka* **Astarte**, whom, as is the Grecian goddess **Aphrodite**, is also associated with the planet Venus. Ishtar, which is pronounced "easter," and her "moon-egg," are still worshipped today in the form of the "Easter egg." And, like Semiramis, she was impregnated by the rays of the sun *viz.* the sun-god Baal and conceived a divine son named **Tammuz**.

Tammuz was especially fond of "rabbits," which became 'sacred' in the ancient religion which developed around his worship—and he, as was his father Baal (Nimrod), was a mighty hunter of men. Moreover, Tammuz was worshipped in Ancient Israel long before the Messiah Yeshua walked the earth; in fact, the prophet **Ezekiel** is remembered as having told the Israelites to cease worshipping Tammuz… and they refused!

The day came whence Tammuz was killed by a wild boar whilest hunting. Queen Ishtar, his mother-wife, commanded her people that Tammuz hadst ascended into the heavens—and was with his father, the sun; she also told them that the two of them should be worshipped in the ***sacred flames*** (of the candle or lamp) as "Father, Son and Holy Spirit."

Ishtar *herself* was now to be worshipped as the **Divine Mother of God** and *as* the **Queen of Heaven** (*v.s.*). Every year, on the first Sunday after the first full moon of the spring equinox, a celebration involving rabbits and eggs is still observed—and worshippers are supposed to meditate upon the sacred mysteries of Baal and Tammuz, and to make the sign of the "tau" in front of their hearts. She also decried *that* a swine shouldst be killed and eaten upon this most holy of days—but both Jews and Arabs consider swine to be unclean beasts and will not eat them.

It is not an innocent custom to colour eggs in celebration of this pagan holiday; it is an ancient custom which faithful Christians have been deceived into celebrating during Easter Sunday. Furthermore, these pagan traditions which have slithered their way into the beliefs of the faithful honour Baal, who is also Satan, and is still worshipped as the "rising sun" and his is the **"House of the Rising Sun."**

> "For we wrestle not against flesh and blood alone, but against principalities and powers—against the rulers of the darkness in this world and against spiritual wickedness in high places."

> Ephesians 6:12

In his most famous book, **"*The Two Babylons*,"** Alexander Hislop contends that **Roman Catholic** religious practices are actually pagan practices grafted into true Christianity during the reign of **Emperor Constantine I the Great**, who is credited with introducing Christianity into the **Roman Empire**. He ended the persecution of Christians and, eventually, converted the nation and its peoples to the worship of the One True God after signing the **Edict of Milan**, which assured religious tolerance and granted Christians the freedom to worship—supposedly ending the **Age of Martyrs**, which had begun shortly after the introduction of Christianity to the Empire.

After unifying the Romanic and Germanic Empires under his sole rule in 324, Constantine rebuilt his seat of power in the largely Christianized city of **Byzantium**, which was renamed **Constantinople**—and, after being conquered by **Islam**, is today called **Istanbul**.[9]

The merger of the Roman State religion and its adoration of "mother and child" was simply transferred to Christianity whence the **Flavians** induced **Josephus** to merge Christian character and iconography with pagan

[8] **Esoteric philosophy** is a term which designates a series of historically related religious currents including: **Gnosticism, Hermetic, *magic*, *astrology*, *alchemy*, Rosicrucianism**, the **Christian Theosophy of Jacob Böhme** and his followers, **Illuminism, Mesmerism, Swedenborgianism, *spiritualism***, the ***theosophical currents associated with* Helena Blavatsky** and her followers, *etc.*

[9] According to a 2000 census, there were 2691 active mosques, 123 active churches and 20 active synagogues in Istanbul—and 109 Muslim cemeteries and 57 non-Muslim cemeteries. Religious minorities include Greek Orthodox Christians, Armenian Christians, Catholic Levantines and Sephardic Jews; in some quarters, an Armenian church sits next to a synagogue… or a Greek Orthodox Church can be found by a mosque. Nevertheless, Islam is the dominant religion… and its ignorant followers are quick to proclaim their intention to dominate the world and subdue all people under its violent yoke.

mythology—and, in doing so, he compiled the sacred books for what we know today as the **Roman Catholic Cult**.

Easter Sunday is the name given by **Anglo-Saxons** to the **Christian Passover** (*i.e.*, the **Feast of Resurrection**) and, although rather incorrectly, it is also used for the **Jewish Passover**—the seasonal sacrifice of the paschal lamb following a day of fasting and penitence. Originally, **"Pasch,"** or **"Passover,"** is the name given by Christians for the fourteenth day of **Nisan**—as the **Day of the Crucifixion of Christ Jesus**… a joyous festival of renewal.

Under the first 15 bishops of Jerusalem (*viz.* the first Popes), which were all Jews, no difference was ascribed to the Jewish and Christian celebrations. But, over the course of time, that custom and tradition slowly changed among the different churches of the East and West—and, as the anti-Judean element obtained ascendency, the connection of beliefs and ethics between the Jewish and *the* Christian Passover was severed.

In any case, the link between Jews and Christians and Muslims cannot be ignored. Greater stress was emphasized on the heritage of the Western Church, *at least* in connection of Easter with the ***vernal equinox*** (of the sun) than with the full moon of the fourteenth of Nisan.

> "The earliest Christians celebrated the Lord's Passover at the same time as the Jews, during the night of the first full moon of the first month of spring (Nisan 14)."
>
> Eusebius, *Ecclesiastical History*, Book V, chapters 23-25

Since the majority of early Christians were Jewish converts, it is perfectly understandable that from the outset the Christian calendar was governed by the fact that the ***death of Messiah Christ*** had occurred at the time of the chief Jewish feast of Passover. History shows *that* the Judeo-Christian community continued observing Passover on Nisan 14 even centuries after the ***destruction of Jerusalem*** by **Titus**. But, controversy has continually flared up over the centuries because the Church at Rome wanted to divorce itself from all Jewish traditions.

Constantine I the Great had inaugurated a growing policy of more-and-more hostility towards the Jews—even instituting the ***death penalty*** for those which continued to openly adhere to the Jewish faith, as well as for those Jews versed in the "Law" (of the Prophets) which aided them (*i.e.*, the Levitical rabbim). On the other hand, Jewish converts to Christianity were protected against the fanaticism of their former religion—although many secretly remained fervent Jews. Simultaneously, an edict was passed which forbade marriages between Christians and Jews—again, imposing a penalty of death upon thaim Jews which transgressed this law.

Roman Emperor Constantine I the Great retained the title of **pontifex maximus** until his death, a title which successive emperors bore as heads of the pagan priesthood. In August 314, he held an imperial church council—and, its was at this meeting that Constantine organized church government. He instituted the **Bishop of Rome** (*viz.* the Pope) as ruler over the universal "catholic" church. From this day forward, church and state were mixed, and the entire empire was under Constantine's rule over government and religion: (*cf.*, Mohammad, the al-Qur'an and Islam).

Later, in 321, as a Christian, Emperor Constantine yet praised **Apollos** the sun god, as worthy of worship on the first day of the week (*i.e.*, Sunday). He decreed this day as the official day of rest for the Empire as **Dies Solis**, or the Day of the Sun. Thus, according to the ***History of the First Council of Nicea***, the **Sabbath** was changed from the seventh day of the week to the first; forever; nor did he allow any other day to be regarded as holy, saying: "this day should be regarded as a special occasion for prayer."

As t he majority of the people in the Roman Empire were already celebrating Easter, harsh fines and even death were imposed on those found keeping the seventh day holy, as reckoned in the **Ten Commandments**. More-so, it was during this **Nicean Council** that the **"Easter Edict"** was passed, insisting believers keep the holiday of Easter instead of Passover (*v.s.*), which was a Jewish celebration of the Exodus from Egypt, commemorating the deliverance of Israel's first-born from the judgment wrought on those of the Egyptians, and *of* the wondrous liberation of the Hebrews from Egyptian bondage (*i.e.*, whence God through Moses supposedly delivered the ancestors of the Jews).

Moreover, Constantine stated *that* as the Jews had rejected Christ they were guilty of killing our Saviour, and because of this, their adherence to Talmudic traditions had to be abandoned. He further claimed *that* the more popular pagan holidays were better than anything the Talmud offered, and declared it improper to follow such customs of the Jews in celebration of holy festivals because the Jews were tainted by the Sacred Blood and the criminal minds of these adversarial wretches held nothing in common with the Christian folk.

Christians were encouraged to avoid all contact with the evil ways of the **Talmudic Jews**, which were of unsound mind, not guided by any sound reason, but given over to unrestrained passion in service of their heathen god—gold (*viz.* Milcom, Lucifer, Satan, Baal, Apollos, Chemosh, Tammuz, Ra, Allah, Yahweh, Jehovah, *etc.*). And, wherever their innate madness carried them—a people so utterly depraved—they wouldst therefore must be irregularly but consistently reprimanded and corrected, in order that the faithful folk remain protected from those parasitical murderers of Christ our Lord, usurious perjurers which hadst nothing in common with decent folk.

Thus: Easter came to celebrated instead of Passover for two fundamental reasons—in an attempt to escape the calamities of Judaism… and to conform to the most ancient pagan traditions. Constantine's influence upon Christianity is undeniable. His ruling actions over church and state drove the world into the Dark Ages. During this gloomy period of human history, learning was thwarted and the Roman Catholic Church ruled worldwide.

Easter came to be celebrated instead of Passover for two fundamental reasons: in an attempt to escape Judaism and to conform to paganism. The 'mixed multitude' were enslaved by the Egyptians before the Exodus—and this festival is meant to commemorate the deliverance of Israel's first-born from the judgment wrought on those of the Egyptians, as well as the wondrous liberation of the Hebrews from bondage in Egypt when God, acting through Moses, delivered them…

> "This sayeth the Lord: 'I will go out into the midst of Egypt and the first-born in the land of Egypt shall die, from the first-born of Pharaoh… even unto the first-born of the maidservant… and all the first born of the beasts.'"
>
> Exodus 11

"And the Lord spake unto Moses and Aaron in the land of Egypt, saying: 'This shall be unto you beginning of the months: it shall be the first of the month (Nissan) of the year to you.'"

Exodus 12

Moses and Aaron were to go to every house of Israel and hadst them prepare a lamb that was without blemish, a male lamb of its first year. They were to proclaim: "In the tenth day of this month (Nissan) a lamb for every house [ ] they shall keep it till the 14th day of the same month—or 4 days—on the 14th day the lamb will be slain in the evening; they shall take of its blood... strike it on the two side posts and the upper post of the door wherein they shall eat the lamb in that night, roast with fire and with bitter herbs and unleavened bread. And thus shall ye eat it with your loins girded, your shoes on your feet, and your staff in your hand, and ye shall eat it in haste: it is the **Lord's Passover**. For I will pass through the land of Egypt this night, and will smite all the first-born of Egypt, both man and beast: against the gods of Egypt I will execute judgment; I am the Lord."

> "And this day shall be a memorial; and ye shall keep it a feast of the Lord throughout your generations; ye shall keep it a feast by an ordinance for ever."
>
> Exodus 14

The Christian Passover can be seen in the New Testament:

"Now on the first day of unleaven bread the disciples came to Jesus saying: 'Where wilt thou we prepare for thee to eat the Passover?'"

Matthew 26:17

The **Upper Room** in the city was made ready for them and they made ready the Passover according to the words of Jesus. On the first day of unleaven bread, or, at the beginning of Passover, Jesus sat down with the twelve disciples and they didst eat. The Jewish Passover is celebration of the Lord's Passover in Egypt. The Christian Passover is the same celebration with the addition of a new covenant of the Lord's Passover.

Jesus celebrated the Passover with his disciples… plus He gave them a new understanding to its' meaning. He became the blood that covers us instead of that of the slain lamb of the old covenant; He became the slain lamb that was prepared for the Passover. Jesus is the slain lamb of the New Passover, and His blood was shed so that we might be saved from the coming judgment and wrath of God—saved so that this judgment will pass over us all.

Remember: The 'fallen one' has perverted its' will on the human race… again. This is according to information on the reign of **Emperor Constantine I the Great**, whom wast the first Christian of the **Roman Empire**, which is remembered for separating Christian History from Jewish heritage.

Never forget: Easter is a pagan holiday that dates back to Babylon—used to cut ties between Christians and Jewish heritage. But Jesus honoured and kept the Sabbath so holy that He rose on the dawn after the Sabbath. He was killed on the 11th day of Nissan and rose again on the 14th day of Nisan. He celebrated the Jewish Passover and gave it new meaning. Why are the Christians not celebrating Passover at the same time the Jewish Passover takes place! The 'fallen one' has perverted Christian heritage though Constantine and the Roman Catholic Church. Satan has hidden one of the most historical facts of history by replacing Easter with the Lord's New Testament Passover, whereof Christ Jesus is the messianic paschal lamb without whose blood covering the doorway of judgment—as so done in Egypt of old—none may enter heaven.

King Clovis I of the Franks conquered and united all the Frankish tribes – a West Germanic ethnic group, which *itself* replaced the Western Roman Empire from the 5th century – and being crowned **Imperator Augustus** by **Pope Leo III** on Christmas Day, 800 AD, he is regarded as the founder of the Holy Roman Empire, ***a reincarnation of the ancient Western Roman Empire***. Through military conquest and bureaucratic defense initiatives *he* extended his realm to cover most of Western Europe, and is regarded as the founding father of both France and Germany. NB: The Windsor Royals are related to both Clovis I, whose Merovingian wife converted him to Catholic Christianity, as opposed to Arian Christianity [10] and Charlemagne, whom also wed a Merovingian princess (to consolidate his claim to the throne of the Franks).

Now, as a young man, Christian IX unsuccessfully sought the hand of his third cousin in marriage - **Queen Victoria of the United Kingdom of Great Britain and Ireland**, who was of Germanic royal heritage, being commonly known as the ***Grandmother of Europe***. He *eventually* ***married his second cousin*** **Louise of Hesse** *a daughter of Princess Charlotte of Denmark* [11] *and Prince William of Hesse-Casse* (*v.s.*) at the Amalienborg Palace in Copenhagen on 26 May 1842, which was – at the height of the HRE (13th century) - a part of .the Germanies. Furthermore, he was the **Protector of the Craft of Freemasonry** and known as the ***father-in-law of Europe*** (due to the dynastic marriages of his children arranged by both him and his wife, Queen Louise, which wouldst eventually become the ruling house of the kingdoms of Denmark, Greece, Norway, and the United Kingdom): His children were (*as follows*): Queen Alexandra of England, King Frederick VIII of Denmark, Empress Maria of all of Russia, George I of Greece, Prince Valdamer of Denmark, and Princess Thyra of Denmark. Queen Elizabeth II and Prince Philip are blood-relations to all of Christian's children and their offspring.

Prince William of Hesse-Cassel's private banker was ***Frankfurter Ashkenazi money-lender and coin-changer*** **Mayer Amschel Rothschild**

The early fortunes of the Rothschild family were made through a conjunction of financial intelligence (*i.e.*, bureaucratic espionage) and the misappropriation of Prince William's inherited immense wealth. NB: In 1785, the Landgrave of Hesse-Kassel died leaving him *his* immense wealth – largely gained through the loan of ***Hessian mercenaries*** (*viz.* soldiers from the German states within the **Heiliges Römisches Reich**) – especially to fight for the British in the **American Revolutionary War**.

> "The inability of the Colonists to get power to issue their own money permanently out of the hands of George III and the international bankers (*viz.*, the Frankfurter Jews) was the prime reason for the revolutionary war."

During the **Napoléonic Wars**, William thought it prudent to surrender his great fortune to his long-standing Jewish friend, Amschel Rothschild, who wouldst keep it safe for him! But, Rothschild sent this money to his third-born son **Nathan Mayer Rothschild**, in London, Eng., to be used in the furtherance of his *own* family's interests by funding the British movements through Portugal and Spain.

Now, the **United Grand Lodge of England (UGLE)** is the main governing body of ***Freemasonry within England and Wales*** – and *also* the ***undisputed supreme lodge*** throughout the ex-British Empire (*i.e.*, the Commonwealth). It is ***the oldest Grand Lodge in the world***, being founded in 1717.

Another secret kept from the good folk of the Commonwealth is the fact that Elizabeth II relates *herself* to the **Muslim prophet Mohammed** through the ***Arab kings of Seville***, which interbred with the European monarchs of Portugal and Castille… and through them to **King Edward IV of England** in the 15th century. NB: In the early-17th century, the Taquiyaic Moriscos were systematically expelled from Roman Catholic Spain.

On 29 April 2009, twenty leaders from our world's most powerful nations met at the **G20 Summit** in London, England – to decide our future! Elizabeth sat front and center in the group photo. The unlimited power of the 39 member **Bilderbergers Group** is subdivided into three major groups, each providing 13 members (*as* follows):

3) **Maltese Jesuits**.

- The **Order of the Garter** (of which **HRH Prince William** is the 999th member, not including the founder). Note: The 999 inverted is 666 and **HRH Prince William is the Anti-Christ** (*i.e.*, the Satanic World Monarch).
- The **Equestrian Order of the Holy Sepulchre in Jerusalem**.

The Rothschilds mere book clerks when compared to **Felice "Adbul Wahid" Pallavicini** – an illuminatist convert to Islam who was in control of the Jesuit Vatican Empire – with the exception of the current head of the family, **David de Rothschild**, who was married to **Princess Olimpia Aldobrandini**. The wealth and power of the Pallavicini family originates in the Lombard banking system (*i.e.*, Pietro Sforza Palavicino): **Princess Elvina Pallavicini** is the leader of the **Aristocrazia Nera (Black Nobility**) in Rome.

The **Egyptian Ptolemaic Dynastic Houses** of the **Saturnalian Brotherhood** are (*as follows*): Aldobrandini; Borja (Borgia); Breakspeare; Chigi; Colonna; Conti; Este; Farnese; Gaetani; di' Medici; Orsini; Pamphili; and Somaglia. These 13 families control the **Company of Jesus**, the **High Council of Ten**, and the **Black Pope** (*i.e.*, Superior General of the Jesuit Order).

The **Dynastic Houses** of the **Illuminatist Grey Masters** include (*as follows*): Agonalis; Dogali; Esquiline; Flaminio; Lateranense; Macuteo; Matteiano; Minervio; Pinciano; Quirinale; Sallustiano; Solare; and Vaticano.

IV

Only 1% of the world's population controls the other 99%—nigh unto 7 billion people. That 1% owns all the world's banking institutions and almost all of the world's wealth, land and resources. Moreover, they write the rules which control a powerless world population… we whom are unable to change things as they are. Too many passive and compliant people actually believe that ignorance is bliss, or that things as they stand ain't truly bad, or that if things were so bad that God would save us and institute those changes necessary to free us all from the yoke which burdens us. But, there are a few of us who know *that* "the only thing necessary for the triumph of evil is for good people to do nothing"—and this is the state of the world today.

Despite knowing the reality of our situation, people choose to dumbly believe that no problems actually exist… except for those misleading and fraudulent stories we are told to believe by the mainstream mass media: the Rothschilds owning both Reuters and the Associated Press, which are the source of virtually all that we are told to believe.

Problems do exist—and there are solutions. These solutions exist in knowing what the three big things these God-damned ruling families fear. The first of these is **"exposure"**: Our enemy has gone to great lengths over the vast course of history using their monopoly of media and education to cover up their crimes against the rest of humanity, so as not to lose the **"public trust"**—for without public trust, their ancestral plans for world domination is doomed. Thus, their second biggest fear is in losing public support. If—and when—the public stop cooperating… their devious plans are doomed to fail. Their third biggest nightmare is **"organized resistance"** by an informed and fearless public.

These ruling families long ago learned from past experiences that **"the will of the people"** can defeat all their military and monetary might. The **Vietnam War** is a perfect example. There is no doubt whatsoever that these ruling families can be totally defeated by turning their three worst fears into a reality. Yet, the ignorant 98% have surrendered without struggle to the Luciferean world authority which controls them spiritually, economically and militarily—having militarized the civilized world's police forces.

Every human being which is allowed to continue their existence will be electronically tattooed and be made helplessly dependent upon this one world beast-system authoritarian world dictatorship for all their most basic needs. The masses are being taught by the generations to bow down to and worship this globalist dictator, who will rule the entire world from his eternal throne in Israel.

The big question seems to be: "Who is this charismatic leader that the entire world shall meekly accept as their ruler? If you do not believe that the Antichrist will pretend to be Christian… then you are truly naive. Believe this: everything they have provided us with is ignorance—and you must renounce ignorance to gain knowledge. Know this: the Antichrist will be widely accepted by all secret societies, such as the Jesuits and Freemasons.

As the son of Princess Diana, Prince William is already worshipped. His mother died in the arms of a Muslim man in a car crash in a Paris tunnel.

On 31 May 2004, the Rothschild-controlled Associated Press released a photograph by Aleister Grant, showing Prince William holding a lamb as didst Christ Jesus the Lamb of God—and, to the uninformed observer, the picture seems totally innocent. But, to those few good folk familiar with the **Protocols of Zion** and **Freemasonic doctrine**, the photo reveals Prince William as the Antichrist. The Antichrist is described in art and literature as handsome and charismatic, charming and a master of lies and deceptions. He is **Baphomet—the goat of Mendes**… and the embodiment of evil and enemy of God, called Satan, Lucifer, Pan, the Beast and Ammon. More-so, he is commonly illustrated with cloven hind hooves… as is presented to the camera by Prince William… a devious expression upon his face. Why is he holding up a cloven hind hoof in the photograph?

The child of evil in the world today is based upon the ability of evil to disguise itself and fool the masses. According to Freemasonic doctrine, Prince William was due to be crowned Antichrist in the year 2015… at the age of 33.
